To The Spotlight Awards Committee of Event Solutions

It is my privilege to endorse Beth Stephenson as Rising Star of the Year (Female). Beth has been an integral part of the Extraordinary Events team for a short time and during that time has exhibited traits that put her into a stratosphere of young people in this demanding industry.

Beth shows unusual commitment to her projects, working as a team player with clients, senior producers, technical staff and production staff to create flawless delivery of complex programs.

Clients love her for she is thorough, professional, diligent and communicative. She is able to adhere to strict budgets, multi task (handling several projects at one time) and work with an experienced team as an equal.

She believes in educating herself continuously and is never fearful of submitting ideas that are creative and easily executed.

Mature, loyal, professional and enthusiastic, Beth is the shining example of what a rising star should be, for you will see her awarded in the near future for all that she is sure to accomplish.

Very sincerely,
