PREFACE

The baptismal records of St. John's Evangelical Lutheran Church are in two parts. The first and earlier account is by the Reverend Adam Nicholas Marcard and includes more than the St. John's congregation. This part is paged 1 - 17.

The second section dated 1800-1847 is by various pastors and is separately paged 1 - 62.

This material was copied by the Misses Adelaide and Eugenia Lore from records at St. John's and rearranged by families for more convenient use. Now a copy has been presented to the Local History collection. The Library is most grateful for their meticulous work and very generous gift.
